

THE
SENIOR *Life*

Living, Reimagined™

THE ULTIMATE
**DISCOUNT
GUIDE**

2021 EDITION

You're smart with your money. You've planned for retirement, and you want it to be as stress-free as possible. The *Senior Discounts Guide* gives you the freedom to be active and social while making every dollar stretch farther.

This is not an exhaustive list of senior discounts, and offers may vary by location. However, each of these senior discounts has been researched and confirmed, and we think you'll find this to be one of the most comprehensive lists of national and regional senior discounts available.

Very few locally owned, single-location businesses are included here, so always remember to ask about senior discounts when visiting these types of establishments. Make it a habit to carry your ID and AARP card wherever you go, and always ask establishments if they offer senior discounts. Sports teams, zoos, amusement parks, museums, cell phone service providers, gyms and floral delivery services are just a few examples of businesses that are very likely to offer senior discounts...but with such a large number of locations and a wide variety of offers, we aren't able to list them here. Again, always ask before you purchase.

So get out there! Eat, drink, travel, be entertained...doing it all with the biggest bang for your buck. And if you discover a national or regional senior discount you'd like to see included in the next edition of *Senior Discounts Guide*, please **share it with us!**
